Meeting time and place

General meeting commencement time 8pm
Refer to the Calendar for meeting dates

We meet at:

Club Menai

44-60 Allison Cres, Menai
(02) 9532 1800

The first Tuesday of each month
Unless advised otherwise

Eligibility

If you are unsure of the correct class for your car, contact our
Eligibility Officer Warren and Michael Degnan

They are very friendly and their contact details are on page 1 of this magazine.

The SSCC shall not be held responsible for, or endorse, any personal opinion expressed in any article printed herein nor will the club warrant the workmanship, or offers, of any advertiser in this magazine.

A message from your Membership Officer

***To retain your licence and continue to receive
this fantastic magazine make sure your
membership is current!!!
Don't get stuck at a race meeting and not be
financial!!!***

Emails are sent out on a regular basis to inform members of important events etc.
If you are not receiving them, please let me know on so I can check we have your correct details.
When you fill out any forms, be it Membership or entry forms please complete ALL fields and print clearly so we get all your information correct.

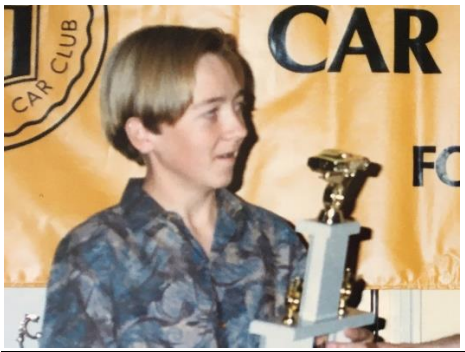

Contact Grant at:
membership@sscc.org.au

Sign on for club Points

If you attend an SSCC event as a competitor, official or to support club members don't forget to sign on to get club points towards the SSCC Clubmanship Award. Look out for a committee member or someone in our SSCC gear who can direct you to a committee member .

Worst case scenario take a selfie of you at the event and send to John Walker 0403 510 916

President's Report

Welcome to your January/February edition of Southern News. Happy new year to you all. I hope you enjoyed the festive season and are ready to celebrate Southern Sporting Car Club's 70th anniversary. Before we start the celebrations, I'd like to look back at the two events held in December 2023. December 4th saw 33 members attend the somewhat different Presentation Night. The Tuesday night event was well supported and from all reports, everyone enjoyed the evening. Thank you to Marianne Camper for organising the room and the food for the night, David Livian for the slideshow you prepared and for your role of MC for the night.

Congratulations to all the winners of both competition and official's trophies all of whom will be listed in the magazine and on the website. I would like to personally congratulate Peter Street who took home the Clubmanship & Officials trophies for his continued support of the club, attending most club night, track day and social events as well as helping out as an official at all events hosted by SSCC in 2023.

The SSCC Family Xmas BBQ was on the following Sunday and 13 members spent the day relaxing in the much-needed shade of the gazebo at Burnum Burnum Sanctuary. Thank you to Dennis Willson for getting there nice and early to save the spot.

The first pointscore event for the year will be a Motorkhana at Ansell Park. This event will be hosted by FIAT Car Club and offers a chance for anyone with children 12 years and older to come along and have a run.

The club championship will be made up of 5 Interclub Supersprints, 2 Dirt Motorkhanas, 2 Hillclimbs, 1 Skid Pan, 1 social Drive and 1 Go Kart night. Once again members can drop their worst round and must official at any one of the pointscore events where officials are required. Check out the calendar on the website or in the magazine to see the date and locations for each of the events.

Thank you to Grant Camper for reaching out to AASA regarding licencing requirements. We have received confirmation that both AASA and Motorsport Australia licences will be accepted for supersprint events run under a AASA permit.

Planning is underway to lock in a venue for the presentation night. We are hoping to return to St George Motorboat Club.

Mark the 23rd and 30th November in your calendar to celebrate the 70th Anniversary winners.

I look forward to seeing you at the club night on Tuesday February 6th at Club Menai or at any of the events throughout the year.

Regards,

John Walker

shipped by IBM, 1956

Vice Presidents & Editors Report

Welcome to 2024 and the 70th year of the SSCC.

Not many clubs can boast that and to celebrate we have a new, one year only, logo and will be holding a special presentation dinner at the St George Motor Boat Club in Kogarah on November 30.

Congratulations to John Walker on becoming the 2023 Club Champion. That's a great effort.

Also, thank you to everyone who submitted articles and photos last year but please keep them coming as the motorsport year commences.

Don't forget to maintain your membership with the SSCC, especially if you are on the concessional registration scheme.

While we give you leeway if membership lapses the RMS, Service NSW, Better Roads & Gardens or whatever they're called today, do not.

12 midnight of the 31st of December and if you've not renewed club membership your CRS vehicle is classed as unregistered.

Don't get caught out on the road, or on the track for your MA or AASA licence having expired.

On that note we will be implementing the concessional registration scheme for **Historic** vehicles this year as well.

The current **Classic** scheme is for legally modified (engineered) vehicles over 30 years old but many of us also have original spec vehicles that can be on the historic scheme.

That means unmodified, original vehicles (can be restored but to original specs) not requiring an engineer's report. Period **OPTIONS** are allowed.

Note options, as in factory or aftermarket accessories.

Not period **modifications**; as in 6/71 superchargers from 1993!

Following a recent CMC meeting they have also confirmed that as of now you can have smaller size registration plates on your Classic registered vehicle.

So, on renewal you can hand in your large green on white plates and get smaller blue on white ones; same size as the Historic plates. No longer will your vehicle have the same plates as a forklift or tractor.

Below I have run the SSCC pointscore calendar, as well as the complete calendar.

The complete calendar is a little fluid as some details may change but at least you can see what's happening throughout the year, and plan accordingly.

Thank you to the great effort by John Walker and Grant Camper to firm up this information and I look forward to seeing you on the track soon.

David Livian

Challenge Bathurst 2023

L-R: Greg Boyle, John Rose, David Livian, Alex Sekres, Eddie Swat

This is always a great event but unless you have entered before it can be very hard to get in.

Greg Boyle, Eddie Swat, John Rose, Alex Sekres and I entered for the regularity to be run on Saturday and Sunday.

We were ably supported by Rebecca Richards, Chris Rose and Bree Till and were lucky enough to score rooms at the Rydges on Conrod Straight.

The SuperSprint category was a little undersubscribed so the organisers opened up an additional regularity group to be run on Thursday and Friday, which saw Brad Bassett get a run.

He stayed with former SSCC member, Howard Grace, just out of town.

Brad had his share of problems with a cracked brake rotor and exploding tyres (taking out his front bumper and air dam)

The rest of us had a good run, apart from Eddie who had a few issues late in the event.

The weather was mainly dry but during my last session it was dry on Pit Straight and hailing across the top of the mountain. I had the typical 1966 Mustang A/C on (open quarter vent windows) and down Conrod Straight was getting hit in the face with small hail!! (open face helmet) Unbelievable!!

The visibility was horrendous and even though I have an electrically heated front screen it happened so fast it couldn't heat up in time.

I was looking out the side window for the white lines and did a "Craig Lowndes" hitting a huge pool of water trying to find the pit lane entry.

It didn't help that my wiper turned inside out due to the severity of the sudden deluge.

Luckily it was at the end of the day, and I still managed to score a 3rd place trophy, 1 point from being second!

Support crew: Chris Rose, Rebecca Richards, Bree Till

Challenge Bathurst 2023

Photos by Rebecca Richards and David Livian

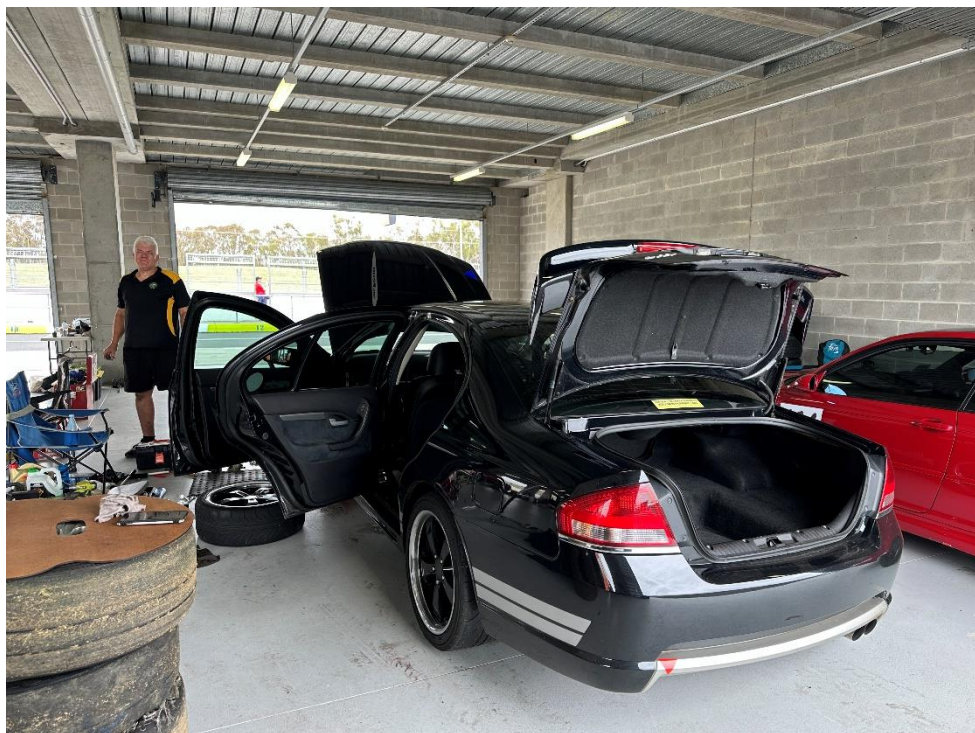

Water cooled exhaust

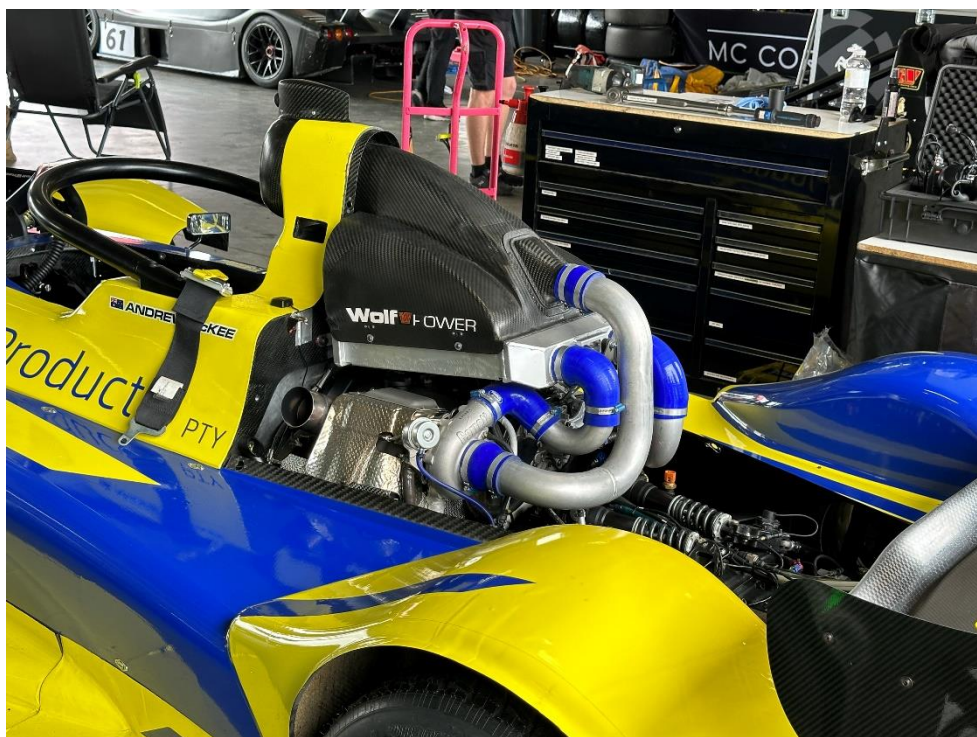

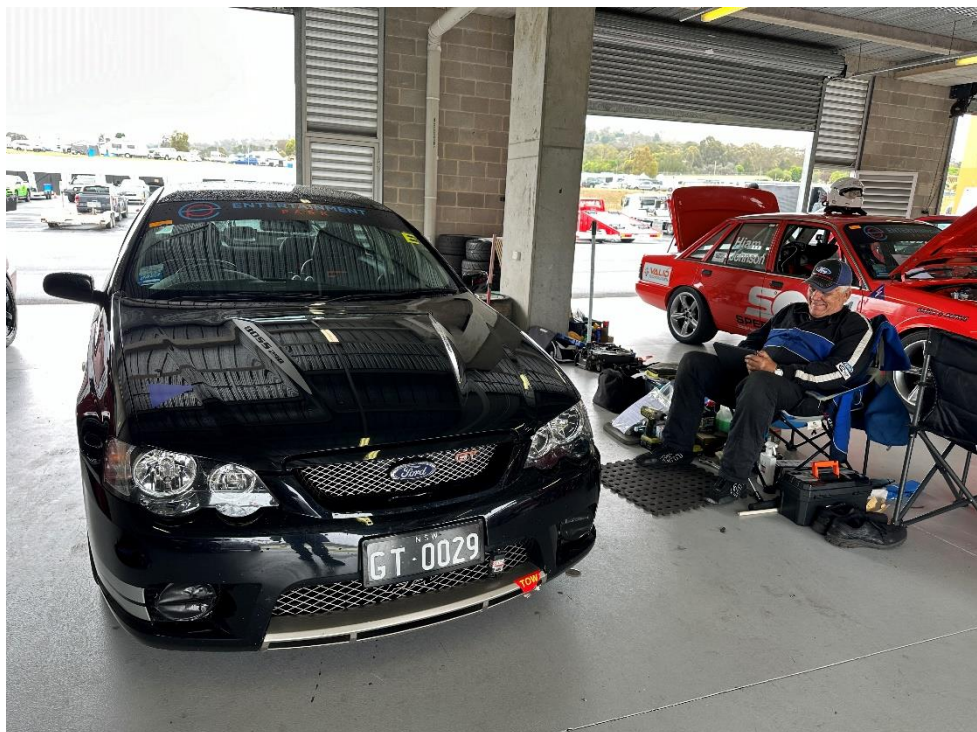

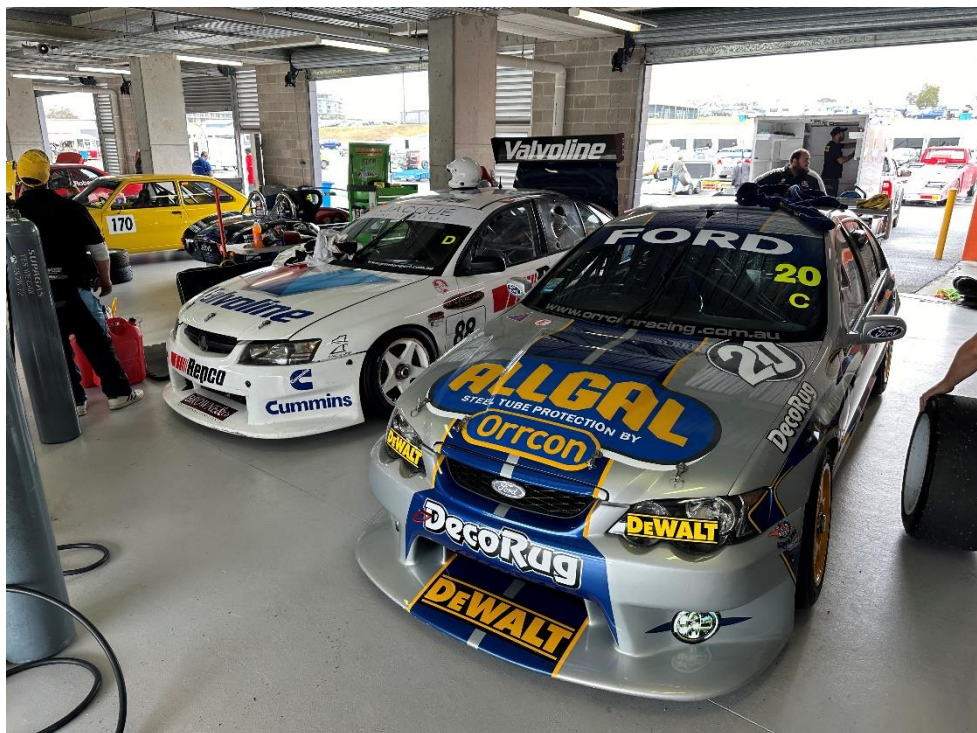

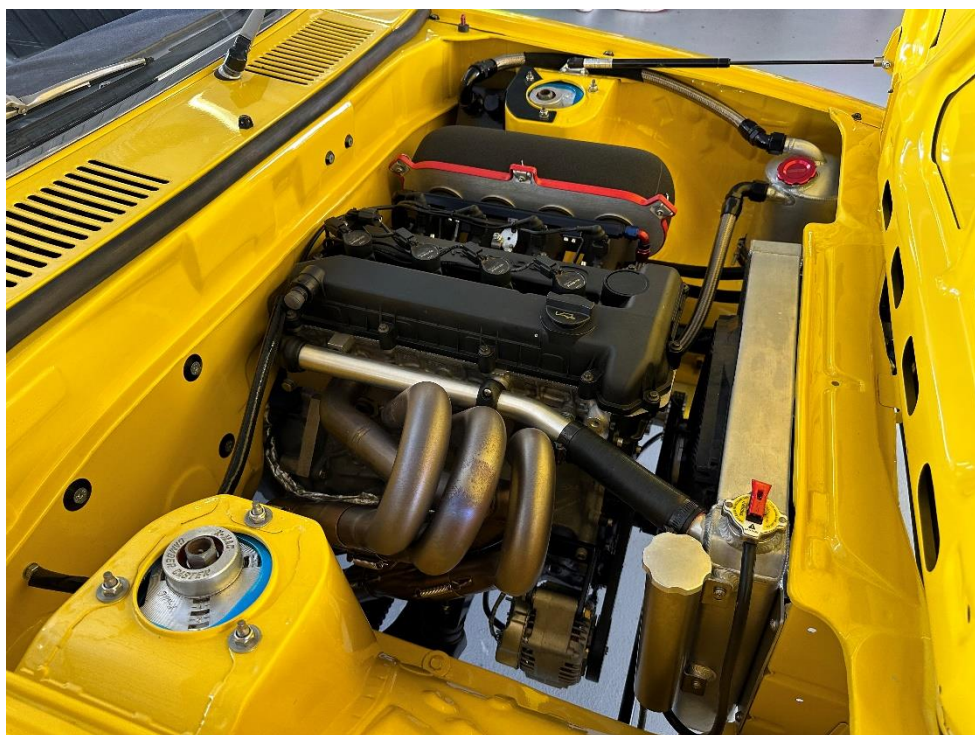

Nothin' to see here. We're not refuelling in the garage

A little bit taily!!

No, not a very early apex, but coming **in** sideways!

Coming **out** sideways
No, that way!! Catch the Perana!!!

VE SS 6.0 Service Parts cleanout

I am hoping someone in the club has a VE or LS Commodore and can make use of some of this stuff.

Most to fit LS engines and VE V8 commodore models, but part numbers are listed.

Most are new and genuine parts, still in boxes and all are well looked after.

Happy to do a deal for a bulk lot.

- New AC Delco Iridium Plugs pack of 8 - \$40 (also have another set of 8 that have been used for only 2 laps of Eastern Creek only which I will throw in for free with these ones)
