President's Report

Welcome to your March/April edition of Southern News.

Its Easter already!!! Four months into the year and by the time you are reading this report, we will have completed the first two rounds of the 2024 Club Championship.

Round 1 was a Motorkhana at Ansell Park on 25th February. Seven of the eight SSCC members there on the day had fun throwing their cars around the paddock completing 8 events throughout the day. The mighty Mirage driven by Allan Ross and myself proved to be too fast for Brad Bassett in his Ford Fiesta edging out Warren Deganan quite possibly after a fuel surge issue in

the Corolla during one test and Samantha Curry also driving the Toyota Corolla loan car, Bruce Daniel in his Hyundai Getz and Gavin Crank in his Subaru WRX. Steven Grove-Jones was also there on the day.

At the time of me writing this report, Interclub round 1 at SMSP GP Circuit on 24th March was looking likely to see 80 to 90 people entered in the event. There were around 10 SSCC member on the list of entries and I hope they all had fun at the event. A further 6 to 10 members were available to assist the WRX Club in running the event.

Thank you to all those that helped out on the day.

Interclub Round 2 at SMSP South Circuit will be hosted by SSCC on Sunday Night 21st April. Thank you again to Grant Camper for taking on the role of event secretary. As this is a night event, there will be a maximum of 54 entries across 4 groups.

Entries will likely be open early in April. Make sure you enter early to ensure you don't miss out. I ask that anyone unable to enter lend your support to the club and assist on the night as an official. Please reach out to Grant Camper or myself if you are able to help.

There will be multiple SSCC members across several teams competing in the NSWRRRC 6hr Regularity on Saturday 27th April. The event goes back to the single day format for 2024 with practice in the morning before the 6hr kicks off in the afternoon and runs into the night. Best of luck to all teams.

There has been a change of date for the Indoor Go Kart night in August. The event will now be held on the 6th August in place of the usual General meeting at Club Menai. All members that run on the night will score 12 points towards Club Championship and the Presidents series. More info will be available closer to the event.

The 2024 Presentation night at St George Motorboat Club has been confirmed for Saturday Night 30th November. We hope to see 60 plus members and their family and friends there on the night to celebrate the Clubs 70th Anniversary pointscore trophies. Being the clubs 70th Year, I ask that anyone with ideas on how they would like us to celebrate the occasion contact me with your ideas. We are also looking for people with time to spare assisting with planning and putting these events together. Please contact me with your ideas and/or availability to help.

I will be unable to attend the April general meeting however, I look forward to seeing those of you that can make it to Interclub Round 2 at SMSP on the 21st April.

Regards,

John Walker

Vice Presidents & Editors Report

Unfortunately I had no official submissions for the magazine so I gleaned some from Facebook.

Heather and I were away for February and will be away for April as well so I will not be able to fill in for President John at the general meeting.

Good luck to the teams in the 6 hour. I hope to come back to some good news on that front, and some photos and a story!!!

These two photos are totally unrelated..... really!!!!

During our February trip to the US and Mexico we were driving from Dallas, through Memphis to Atlanta. We stumbled across this museum surrounded by an amazing race track in Birmingham.

There were 1600 immaculately presented motorcycles, the largest collection of Lotus vehicles in the world and a few other cars.

It was simply sensory overload.

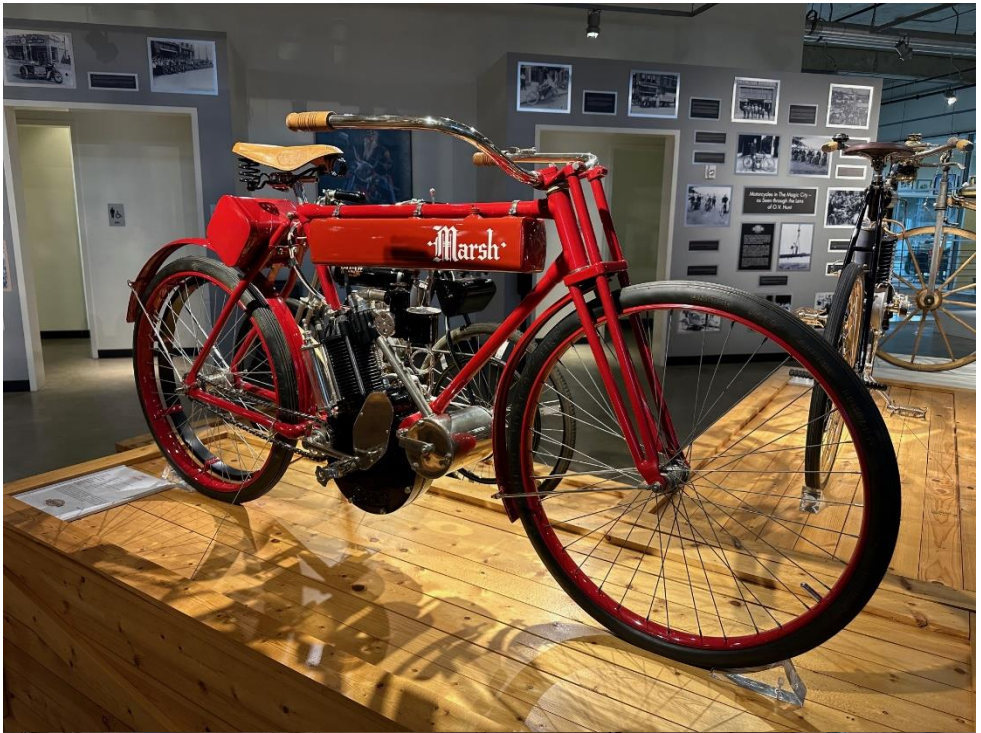

Here are just a few of the 700 photos I took while there.
